## BUNCO Night - 9/17

A great family night game to meet new friends and have some fun. Please join us Thursday September 17 at 6:30 p.m..

This game can be played by anyone 4 and older, so bring the whole family. Here is a summary of the game rules.

There are teams of 2 which play in groups of 4. Players roll for specific "target numbers" (1-6); during the second round for example the target number is 2, so they will try to roll 2's. When a player rolls three of a kind of the target number, it's a 21 point "BUNCO". Getting the target number on one or two dice nets one or two points, respectively. Losers of each round move on to the next table and the game goes on. The object is not only to get the most points but to meet the most people. Prizes for most, less Buncos and more.

Game will start at 6:30 and continue till 8:00 p.m. stop by at any time. **Admission is Free. Snacks will be served.**
